## WHO COULD ASH FOR ANYTHING MORE?

FOX Girls: What's up girls at FOX? You all have the best jack mag a convict could have! I love Ash Hollywood and all the girls at FOX, but most of all Ash. She is the sexiest chick known to man. Ash fits every style a guy is asking for. I could only do her pic in blue and black pen—Super Max here is a bitch on the selection of art supplies you're allowed to have. Anyway, hope you like it. I tried to put a zombie hand tattooing because Ash said she likes zombies. The hand is a drawing my own. Porno Dan was one lucky fuck to get to eat that fine piece of meat in the September 2012 FOX. Man, what I'd give to be able to do that.

I hope Ash wins the Twitter "Top 25" award. I'd vote for her but that won't happen anytime soon. Later—Jay in Eddyville

## SPARE US, VICKY

Dear FOX: I have a secret. I like to wear women's panties, especially when I'm reading or watching porn. I have a special pair I reserve for when I am flipping through FOX. They are made of black lace and very high cut and have tiny hot pink satin bows on each hip. I like the way my cock looks when it's hard beneath the lace. I wish that when I bought my panties at Victoria's Secret years ago, I had bought 100 pairs of them in all different sizes so I could send in a pair to each of

my favorite girls whenever I see them appear in FOX. I would definitely send a pair to Lily LaBeau, Skin Diamond, Tara Lynn Foxx, and Jessie Volt. I learned about Jessie Volt from seeing her spread herself open in the pages of FOX. She looks like she'd melt in my mouth and that's a quality I appreciate in a girl.—Norman via email

## IT'S ALL PINK TO SWINE

Dear FOX: I'm not a homo or nothing, but I do gig my man Tim von Swine. I am always pleased when I open up a new issue and find him in there humping way. What I'm wondering is why doesn't homeboy stick it to black chicks? I don't think I've ever seen him split-

ting open a nice, dark-skinned honey. My man is hung for a white dude and I personally think it would be killer to see him shove that horse cock of his into a writhing sister of color. Maybe he doesn't have a taste for the dark meat? I think he's stuck it to a Latina or two as I recall. Do me a favor though and ask him what's up.—*Shwan in El Segundo via email*

### OL' BROWN EYES

Dear FOX Magazine: You are my favorite magazine. I do not know what I would do without you. FOX has enabled me to withstand many lonely hours of being alone after my girlfriend Kelly left me. When I am reading FOX, cock in hand, I feel content and for that I thank you. I have been doing a lot of thinking lately and I'm not sure that the few moments of sexual gratification each week that having a girlfriend affords me is worth all of the fighting and other bullshit one must wade through the rest of the time. Meanwhile, now that I'm alone, I can just pull out a FOX when I'm feeling lonely and there are all sorts of hot bitches inside just waiting for me. All of them wait patiently with their cheeks pulled apart and their brown eye winking at me until

I unleash the fury of my load upon them. None of them will snort and roll their eyes and ask me if I'm finished yet. God, I always hated that.—*Pedar in MN*

### BRING BACK MY BONNIE TO ME

Dear FOX: Never in my life have I found tattoos on a female attractive. I don't have any myself, excepting the one my buddy gave me with the help of some safety pins and a Bic pen back when we were kids. So imagine my surprise when I found my dick as hard as concrete after looking at those photographs of that inked up gal Bonnie Rotten getting her tail shagged off. I'm not sure there's a single part of her entire body that doesn't have some sort of picture or drawing upon it. Maybe her inner pussy lips remain ink free but if I was munching away down there I would be fully prepared to encounter a smiley face or bit of text or something of the like. And although all of that ink on her flesh is to me UG-LEE, I find Bonnie herself to be an incredible turn on. Maybe it's her eyes looking so lively and bright. She also has a look about her that she knows how to take care of a cock in such a

way that it's never been satisfied quite in that manner before. So I guess what I am really saying is that I would gladly pummel Miss Bonnie Rotten into orgasm, awful tattoos and all.—*Benji in WV*

### FROM THE MOUTHS OF BABES

Dear FOX: Kudos for those fucking amazing ON THE SET pieces and Q & A's. The stuff that comes out of the mouths of some of those porn chicks! Man, I sometimes find myself chuckling for days. It's not even that they're stupid because I find that some are surprisingly intelligent it's just...wow. It's just wow, man. Some days I think I'd love to have just one opportunity alone with one of them and then I could show her how it's done right. I would start out by making her cum a couple of times by eating her out and going real slow and then I'd bang her but not pound her out like in the videos but really take my time and fuck her properly. But then I think what am I thinking? Those porn dudes are so hung it doesn't matter what tricks I pull, she's just going to lie there and be like "well?" Life, you know. It's really just a bitch sometimes.—*Randy in CA*

BONNIE ROTTEN, ERIC JOHN

PIKXX & ARTICLE BY JEFF HUBRIS

32877

Cincinnati native Bonnie Rotten is naked after peeling herself out of a skintight one-piece outfit. One of her most prominent features, aside from an extremely tight physique is the preponderance of ink upon her otherwise pristine, just-turned-nineteen epidermis. Frank Sinatra's face appears on her left leg. "Dead Girls Don't Cry" is written in large script across her stomach. "The Promise of a Better Future" is scrawled amid some other designs on her right arm.

"I tattooed myself first at like thirteen," she explains. "But I got that all covered up at like fifteen." That was just the first round. She started stripping and found work at car shows, bike shows and horror conventions. "I've always had like a crazy sex life," she continues. "I've done gangbangs and multiples and stuff like that before porn even. It's fun. It's been kind of crazy." This GO FOR IT mentality is a great asset for the porn business and should bode well for the future, except for the fact that too much skin art can sometimes put an aspiring porn girl at a disadvantage. "I've been kind of selective about who I've been working for," she says reticently. "I kind of have to take a different approach because I'm heavily tattooed, you know? I've been working on some production stuff on my own and hopefully that will be out soon."

Eric John has a degree from MIT in Aeronautical and Astronautical Engineering and worked as an executive for Boeing aircraft, but in an instance of pure humor and/or luck bestowed upon him by the gods of porn, he also has the ability to blow many loads back-to-back.

"Well my record in a scene is fourteen," he says. "I made all of those Porno Dan DVDs where the average was like seven times. It's funny because on this I don't really cum that much."

Maybe not, but what he can do is blow a couple loads in the morning on webcam and then go out and reliably work as male talent in the afternoon and/or evening. This is the porn lifestyle. The few. The proud. The swordsmen.

The show needs to start so Eric John summons Bonnie Rotten over to the sex act staging area, a bed surrounded by cameras and computers. They trade off on oral and the first insertion is made in missionary. Unlike the slew of so many other new girls who treat the encroaching erection as a foreign entity that must be endured and managed somehow in order to receive payment, it's immediately obvious that Bonnie Rotten is already a seasoned professional at tube steak management and exploitation. Like the space shuttle at liftoff, fuel is burned quickly at first while the rockets gain enough speed to escape the Earth's atmosphere. at which point breakout speed is attained. Bonnie is at one with the fuck from the beginning, totally engrossed and deep in, oblivious to the outside world. You don't see a lot of this quality in the new girls of today who are still on a fact-finding mission as to whether exploitation of porn will be a lucrative move, but here the facts are in. Bonnie Rotten has found the right business.

**BONNIE ROTTEN:** I just kind of jumped in. I started doing porn after I met my husband at the AVNs. We got married after two days. It's fun. In porn you learn a lot more. You become like more comfortable and open and you learn that everyone has a different kink or fetish and you acquire different tastes as you go along and it's kind of cool. It's like a collage almost. I like really love sex. Rough sex and anal sex, I like being choked and spanked and stuff like that. I haven't done a gangbang in porn yet. I get my first DP next week so I'm excited. I've done it in my personal life before. I love it and it feels great. It's awesome. ...You know how every girl always finds out about the Hitachi and that always kind of ruins everyone? Well I kind of weaned myself off of it so I got myself to where I can cum very easily now. ...I have a perverted mind. I love small girls having big things inside of them. I think it's so hot so I like to cram big things inside of me. I can take a lot of size. I use butt plugs and stuff. I have one in right now too, just trying to prepare. You have to stretch yourself so you don't tear and be careful. I have a string on it so it doesn't get lost. It was so funny, I walked on the set one day and I had the butt plug in and I totally didn't realize that the string was hanging out of my shorts. Somebody just started laughing because it was going with me as I walked along and it was so embarrassing. My pussy's sore because I shaved it two days in a row, but I'm good. I think I can take more in my butt than I can in my pussy. My family says as long as I'm having fun doing it, go for it. I'm Italian, Polish and German and a bunch of other crap. ...I didn't know about Rob Rotten before I went to the AVNs. He must be my illegitimate brother.

Eric John is about as verklempt as professional male porn talent can get under the circumstances of his “work” if you want to call it that. As we know, all pussy is good but depending on the variables, some pussy can on occasion be more exciting than other pussy (for that moment anyway) and it’s obvious that Eric John is currently telegraphing an unusually high level of involvement in this bang out. Bonnie Rotten proves to be an amazing nineteen-year-old on-camera fuck. When it’s over I ask why he’s been perving on her for like forever.

“I have not been perving on her forever,” he says semi-defensively, “She came by Adultcon and came to the booth and we said you should really come by and do the show and it was that simple. I met her in Vegas but it was like for two seconds, but the other day she looked so good. She was by far the hottest chick that went by our booth. Since then I’ve been hard for her. She made me hard then and I just stayed hard the whole time between then and now.”

That’s the beauty of being the greatest one-man show in porn. You have your schedule, and you just fill it with girls that you want to fuck. That’s definitely what happened here. What’s really cool is if you want to have a good time with someone again, you just bring her back as many times as you want or as her schedule will allow. For the most part, it’s just you and her banging it out for a couple hours in front of the cam, and what’s really good is you can take your time fucking because there’s no “director” rushing you through the positions or telling you how to fuck. There’s plenty of time to fill and—if you pay attention to fulfilling at least some of the requests the viewers might be sending to you through the miracle of the Internet—it’s all you and the lady, my brother. If you can pull this shit off, it’s a hell of a way to make a living. Good luck trying.

The runaway rug munchers for this go-round of the FOX Awards are alt porn powerhouses Asphyxia Noir and Skin Diamond. Either one of these ferocious beauties on her own is extraordinarily spunk-worthy, but when paired up they become the hard jerking man's Cream Team. Their taut, tatted, twenty-something bodies coiled together beneath the fine spray from a shower nozzle going from damp to moist; from moist to wet are pussy licking poetry in motion, albeit decidedly more limerick than sonnet. These foxy bitches are on a frenzied quest for orgasmic bliss and will not stop until their moans ricochet off the tiles to dovetail as their commingled saliva swirls down the drain. Afterwards, with pert tits heaving and shreds of pantyhose pasted to their flesh, Asphyxia and Skin share a kiss. A deep, lingering, lustful kiss that sets their post-climax twats all atingle. And the balling starts rolling again.

# JADA STEVENS AT HOME

PIXXX & INTERVIEW BY JEFF HUBRIS

Jada Stevens made waves immediately after starting porno at eighteen. She was young, hot, and the possessor of a super prime bootay that made her a legend overnight to the ass-centric crowd. Word spread quickly and although admittedly shy, she did not shirk the radical penetrational challenges that came her way forthwith, triumphing over all that was thrown at her. Today FOX is at her Atlanta crib to try and learn more about the girl behind the legendary behind. Her four chihuahua's have been sequestered outside where they are, quite literally, in the doghouse after having broken into a large bag of skittles. Jada Stevens. We're actually here. Let's check this out. The kitchen is huge. A good place to disrobe. A pink and white toaster catches the eye.

*Jada:* I like to cook so this is definitely a favorite room.

**FOX: What kind of stuff?**

I'm a Southern girl so I like chicken and pork chops. I like greens and all that stuff. I like to bake too, cakes and cupcakes and all that shit.

**Tell me about your kitty cat toaster.**

I do have a Hello Kitty fetish. One of my fans bought me that. It prints "Hello Kitty" on the bread or the waffle too. I tell you, they take care of me.

**Where did the fetish come from?**

It's something I grew up with I guess. It kind of came back in fashion this past year or two or whatever.

**You're originally from Atlanta?**

Yes, born and raised.

**How did this whole porn industry thing happen?**

My friend Bailey Brooks who is from here too got me into the industry. We didn't start shooting here. We went to Miami and started there. One day she called me and said I have the perfect job for you, so I flew down there and worked for Bang Brothers. I guess I liked it. At the time we were like with agencies down there and everybody was shooting, like Bang Brothers and Reality Kings. There were a lot of companies besides them shooting too.

**Before you started porn were you a sexual freak?**

I danced and I was always kind of sexual at an early age, but that kind of got me more in touch with my sexuality. I guess like anybody, when you get fucked up and party you end up doing kinky, crazy shit but I had a boyfriend through high school. I lost my virginity to him and everything and we were always kind of a freaky couple but when I finally got a taste of freedom, I was out. I started dancing right after that. I worked at an Eckerd's pharmacy for like six months and I did both and then finally I couldn't do both and I just danced. It was way better.

**Tell me what it was like when you started porn.**

It was weird. I wasn't planning on making a career out of it for sure when I first started. It was scary. The first three or four scenes I can remember being super nervous but it was fun. I guess it's the camera and the people and I was young too, you know? Now I'm like, fuck it!, but I was shy and shit.

**You weren't used to being naked and fucking in front of people.**

I can be naked all day, but yeah I guess when I first got into it. I was like, damn I can do this, but I had never had people watch me. I had never thought anybody would ever want to watch my porn. Now people are like, *Hey, aren't you that girl?* And I'm like, OH SHIT!

**Why don't you think anyone wanted to watch your porn?**

I don't know. I wasn't in the industry and I didn't know how it worked and I just thought it would be just another thing out there on the Internet and like nobody would care.

**So when you're fucking in front of a camera how does that affect the sex?**

I completely think that sex off-camera is way better but I do get off on-camera. I try to make sure I get off because that's the point. That's the whole point. If the guy gets off I need to get off but, you know, you do have those scenes where it doesn't happen, but most of the time I do.

**We trip around the house for a while. In the huge bathroom that adjoins the bedroom, an array of toys, including a few Hitachi wands are washed and ready to go.**

I've had tons of sex in this bed. The bed actually broke one time.

**You have a super nice bedroom. Are you like a big orgy girl?**

I don't know. I like sex. I'm not too big into group sex. It's a lot of work. I'm down, I've done it but it's not my favorite thing. I like to focus on two people max, that's about it. One-on-one is really good for me. It's not like I don't like having other people around, I just do it better.

**What's the most number of guys you've ever done?**

The most I've done on set was like twelve. An interracial gang bang for Billy Watson.

**How about in your personal life?**

I would say like four, maybe five, if I remember correctly. With too many people you can't focus, it's just everywhere. I'm good at it and it's fun but it's not personally what I like.

**What does it take to get you off?**

In anal scenes I cum a lot because my clit is being stimulated and I just come faster that way. Better than being penetrated.

**You mean you're getting fucked in the ass and you can work your clit?**

Yeah, that's really good.

**Do you ever do that with toys?**

Toys are not as good anal-wise but vibrators are definitely my best friend, they're definitely what I use. But a toy in the ass is definitely not as good as the real thing.

**So when you're being fucked in the ass, to get yourself off, how do you work your clit?**

It depends on what's working at the time but it's pierced and it's sensitive, so faster is usually better. You know, a lot of pressure.

**What works best for you when you're jerking off?**

I think about different things, you know like whatever guy I'm feeling this week or whatever. I'll think about that but I have a vibrator and my Hitachi, those are like my favorites so if there's really not that much penetration I still get off really good. They're just the best. They get the job done in like three minutes, if that. I'll put it on like six or seven, because that's the highest and that's quick sometimes but if I masturbate like four times a day it's harder to get that last one out. I'm like, *Shit!*

**What's the average amount of times you have to get yourself off in a day?**

Probably like four or five times a day, and that's a lot for a female. If I don't have sex for sure. My sexual life is busy but it's not as busy as when I'm shooting because I'm very selective about my penis.

**What about your off-screen sexual life?**

I love it. It's pretty random. I have like a guy I see when I'm here. But it's pretty random. It's fun for me. Different people. I have like a pretty big sex appetite so when I'm with one person a long time, you know, I get restless. It's easier when I shoot if I want to be with one person because I'm getting what I need sexually.

**Do you meet guys at the clubs and all of that?**

I'm not too big into that. Hookups always try, especially in the strip club. I'm not saying I haven't, but that's not my thing.

**You said you were nervous at first on camera.**

**Tell me about that.**

My first one was with like three guys and three girls. It was crazy but for all the girls it was their first scene too, so it was really cool, but the guy had been in the industry. It was scary. First of all it was freezing fucking cold and was at a car wash. It was cold as fuck. It was freaky because it was a big crew, like 20 people, if not more. I was the girl having sex on a car, it was in public sort of. I didn't know if I was doing it right and I think that was the main thing that scared me. I was just doing what I would normally do and I didn't know if that was what they wanted me to do. That's what scared me the most. I'm still learning my dirty talk. I can do it in my personal life but I'm really a shy person. Nobody believes that but I'm still breaking out

of my shell. It's easy when I'm being personally connected to someone, but in front of some camera when I know millions of people are going to see it? The guys' dicks were huge too. I wasn't used to seeing porno dick for sure. I'd seen big dicks but nothing like that.

**Yeah, when some of these girls do their porn fucking act it's like, forget about it.**

Yeah, that really bothers me. I'm not going to mention any names but there are a few girls that are just crazy with it. Some are good performers but it's over-the-top. I just like to go on set and do what I would normally do, just a little bit turned up.

**So there's real-life dick and porno dick. Were you surprised?**

Yes, I was very surprised because guys in porno of course are there to get off but they aim to please a woman. They're very in touch with making you feel good and guys I was with before weren't catering to my needs for sure, they were there to just bust a nut. Porno guys have good-sized cocks but like I said they aim to please you, they're trying to make you cum as opposed to just trying to bust a nut. Most of the guys have been in the business and have fucked millions of girls and they know a woman's body and what feels good.

**How did the conversion from civilian dick to porn dick go?**

It was definitely different. I don't know how to explain it. It definitely tired me out. I wasn't used to dick like that and sex like that and cumming like that. I had cum before obviously but not good like that. For my third DP they used nine bottles of baby oil. It was Erik Everhard and Toni Ribas. They were just going so hard, I was trying to hold onto whatever I could because there was so much oil. It felt so good but all I could think about was sliding and falling off the couch and trying to look sexy also.

**Who are some of the dudes that you like?**

I guess it's their cocks that I like, but I like Mike Adriano, Mick Blue, and Erik Everhard is cool. Those are the only guys I've worked with a lot lately. I like Mick Blue, I always request him.

**So tell me about this ass thing. You're getting really well-known for your ass and anal. How did that all start?**

Really, I tried anal a few times before I was in the industry and I've always kind of liked it but I really didn't get into it until last year. The first three were kind of just getting into it in front of the camera. But I got into it and I liked it and you just have to let yourself explore and open and just learn what works for you. Before I had experimented with it about four times but nothing like I do now.

**Did you do multiple guys in your personal life before porn?**

Yes, I did have a threesome, twice. As soon as I left my boyfriend who I was hooked down with forever. I was kind of wild. It was with two guys, but I've messed around with a girl before I did a guy.

**Were you getting DP'd?**

No, that was new for me this year. The first one was with Jules Jordan and Criss Strokes. Then there was Toni Ribas and Criss Strokes and some others. I remember their dicks more than anything else.

**How about your experience with girls?**

I fucked around with girls but I did mess around with a girl in the industry recently and it didn't end as good as I wanted it to. Like I said, I've experimented a lot but girls are hard, it's not my thing. It's fun to bring it in the mix with the guy but other than that I'm good. Girls get attached in weird ways you would never think. They're too much, I'd rather stick with a dick.

**You were saying that when you first got into porn, interracial was really big for you.**

Yeah, I'm from Atlanta and I've always dated every type of guy, but when I was 18 and 19 I went through this thing where I wanted to fuck black guys and it just so happened when I got in the industry they didn't have a lot of white girls with butts who wanted to fuck black guys. I was skinny with a butt. I had so many bookings for interracial and that's why some people look at my shit when I first started and say, *Is that all you fuck*

is black guys? Now I kind of went through my phase and I still like them but it's not as hard as it was. It kind of helped me out in my porn career though.

**Tell me about your pussy. How much size can your pussy take?**

I don't do double vaginal or double anal but it can take a pretty big cock. Like for example, Shane Diesel or Shorty Mac are both pretty big girth wise. I think I can take more length versus girth because girth fucks me up the day after.

**Can you take more in your pussy or your ass do you think?**

I want to say my pussy. My ass can take a lot but I still think my pussy is more unbreakable. I don't know, I guess they're about the same though really.

**Ever have any weird stuff happen? Tell me.**

Ha! There was one time. You don't eat anything the day before you do anal but I ate this cotton candy ice cream that was bright hot blue and hot pink, all different colors. Anyway the next morning I was doing my enemas and I was doing all my shit. I worked with Alex Gonz that day and it wasn't shit coming out but you know how your ass lubes up? It was blue. Then he fucked it out of me until it was like turning green. It looked like neon highlighter. It was like Smurf shit.

**How about that bling on your clitoral hood?**

It did hurt to get it pierced but it's very good pleasure-wise, I wouldn't have it any other way. When I got it the first week I definitely could cum walking up the stairs or walking long distances, it was awesome. It's just so sensitive the first week or two you have it, it feels awesome. I can get off by just rubbing on it.

**You have really nice feet, did you ever do any footjobs?**

Yeah, right when I first got in the industry but I don't do them anymore. It's hard to give a good footjob. I have a mild foot fetish and I like my toes sucked on but I'm not deep into the foot fetish thing. Some people, that's all they care about, they don't care about your ass or your pussy or anything else.

**How do you like to get fucked optimally?**

I'm big into foreplay. I'm very into giving head and if I don't have my pussy eaten that's okay, but it's nice every once in a while. Just giving head gets me started. I have to have foreplay, other than that it isn't ready and it's not going to be fun for me. It just depends on the mood I'm in. If I'm pissed off or frustrated I like to be fucked really hard and, you know, like choked. I still like that a lot. Hair pulling. Then some days I'm very sensual and like slow, off-camera sex.

**The slow fuck is so great and you just don't see it in porno.**

I like certain companies like Elegant because they want you to kind of be like that. They want it to be hardcore but they tell you to not look at the camera and just fuck. I can cum multiple times if it's like that. If I'm doing a hardcore scene I can probably cum one big time but if it's slow like that I can cum a bunch of times. It's more real and gets a more real response.

**Jada gets into a New Orleans Saints jersey, shorts and her Hello Kitty boots because it's time to slide outside for a smoke on the front steps. What's up with the family and all of this?**

My growing up was awesome but very dysfunctional, I'm not going to lie. That's probably why this feels comfortable to me. My parents didn't disagree with what I was doing. My father passed away but my mom is my biggest fan. She just wants me to be safe and that's all she can think about but she's definitely supportive now and I'm glad I don't have to hide anything about that.

**Do the people that you knew in high school all want to get with you now?**

Everybody! Facebook is filled up with everybody! They'll come up to the strip club now, it's funny.

**You must make decent money at the strip clubs.**

I do, it keeps me in good shape too. Atlanta is like the best place to strip. Miami, Vegas and New York are all not as good as here. On this special I watched I saw that Oregon was Number One, though.

**What's your typical day like?**

You really want to know? I wake up, smoke, I eat breakfast and I might go work out. I usually take a nap for the rest of the day then I get up and I get dressed and go dance from 8 o'clock at night until four in the morning. I come home. I smoke again and I go to bed and I wind down until like six in the morning. That's my typical day when I'm home. When I'm shooting it'll be during the day so I'll wake up and do that and just go to bed at night. When I'm dancing it's just natural to go to bed at like 6:30 AM or so, it's like I'm still awake or something. I'm dancing for like eight hours and your adrenaline is going from the night. I usually dance about four times a week, maybe five if I want to buy something.

**You have an interesting look. What's your nationality?**

I'm white. Cherokee and Irish.

**Wow. Give her some alcohol!**

That's only on certain nights and I AM fucking crazy. I'm not a big drinker, I'm more of a smoker but when I do drink it's ON, that's all I have to say. I'm a Grey Goose girl but I like Patron. I have a story for every time I drink Patron.

**So you are just super huge on Twitter.**

I try to interact with my fans, that's the thing. People are like, *Oh, you really don't like them, they just buy you shit*, but I try to send everyone who buys me something off of Amazon gift packs and stuff. Sometimes I feel like I even know some of them because I talk to them daily and some of them are very big fans. They send me stuff that I don't even know is out yet and it's kind of fun for me. I'm addicted to Twitter. People ask me if I have a life or job and I'm like, I get paid, trust me. That's why I have so many followers. It's somebody they're following and I'm actually talking and interacting.

**What kind of non-porn stuff are you into?**

I'm kind of boring. I really am. I smoke weed and I'm a big shopper. I'm a big online and a mall shopper and I take my dog to the dog park. I just started working out and I've been doing Silk Sheets. It's like a class and you're on a silk sheet and you do things on it, it's crazy. It's Cirque du Soleil shit. Belladonna is really into it. It's that aerial stuff and it's just sick on your body.

**You said you went through your big black period.**

**What kind of guys do you date now?**

I mean, I still like black guys but I'm open to everything. I prefer whatever I feel at the time but that was definitely a phase.

**Do people treat you differently now that you are in porn?**

I think so, some good some bad. A lot of people think it's like you're famous or something. It's not even like that. I just like money and I like to fuck so it all works out. Fame is cool and I like all that but that's not really it.

**If you could see into the future, do you see yourself getting out of porn?**

I have a plan I can't make for sure, but this is my plan. I want to do porn for maybe four or five more years and that's a few more years and then I'm done, but I'm going to start school next year for sure. I want to be a veterinarian. I like animals a lot. So that's my plan and I'm going to start it and if it works out in like ten years I'll be good.

**Oblivious for now, I remind myself how long this day has been, and how short this day has seemed. So much to talk about.**

**Time warps. The legacies of Jada Stevens's trademark backside and the hundreds of hours of porno performance already committed to video will persevere. The dogs are let back in the house and insanity takes over quickly. This reality doesn't bite because Jada Stevens has proven to be a superior hang out experience. She's broken free of the porn agent shackles that constrain others of lesser autonomy. The Tao of Jada: A clear spark. Half the shadow and people gravitate to her area. A fading afternoon on the front porch with a pirate-smiling, lovely girl, here again, in this best of all possible worlds.**

DIRECTOR  
JUST DAVE

SLUT 'N' PUPPET  
HOLLY MICHAELS, MICK BLUE

PIKXX & ARTICLE BY JEFF HUBRIS

32879

"Holly Michaels is awesome. I have a good story about her," says Brazzers director Just Dave. "That girl can do no wrong in my eyes. What she did for me? I had her scheduled for an outdoor shoot with a tease by the pool and we come to set and it's fucking raining really hard. Ramon shows up and he's freezing and shivering under a coat and a blanket. I told Holly she could say no if she wanted to but I thought it would look hot for her to dance at the corner of the house with all of the rain water coming off the roof and make it feel like it's really warm and awesome to be dancing in the rain. It was 54 degrees, freezing, it was so fucking bad and she danced outside for fifteen minutes. Then I had her walk outside to a glass door and press her butt cheeks up against it and shake it back and forth, right to left. Then I asked her to go to the couch where she was going to have sex and make the whole thing look really sexy. She was freezing her ass off, her teeth were chattering and she didn't show it. Because of that, whatever she wants from me she gets because she made the scene look really, really good and she could have said no. I think that 99.9 percent of the girls would have said no. Holly is the real deal, man. I can't say enough good things about her."

FOX's "Starlet of the Year" award is bestowed upon only the most worthy recipients. An unsolicited story about Holly Michaels' sense of porn duty from a guy like Just Dave, a person not prone to the shedding of sunshine upon the undeserving, speaks highly of her willingness to take one for the team and complete the mission at hand, however demanding. This brand of anti-prima donna behavior is becoming exceedingly scarce in a field of endeavor that is very prima donna-esque by nature.

"I like playing sports," she says. "When I'm home I go and play softball a lot and I love going laser tagging and I play video games too. I have three brothers and I'm really active with them. I like fishing. I did track, hurdles and wrestling when I was in high school."

Yes, that's it. Even in a pervasive culture of false self-esteem and fake entitlement, valuable life lessons can be learned from participation in high school athletics that will be of great value on a porn set. Wrestling, especially, provides a girl with the all important grappling skills she'll need later when she starts banging it out on or off camera, if she hasn't already. More than that, the greatest lesson that is either learned or not, is the importance of not letting down the team by giving any less than 110 fucking percent, always!

Holly Michaels does not disappoint. She's all fresh and fruity in business wear and a lab coat, playing a lady sex doctor who gets analized by Mick Blue.

"A doctor scenario," says Just Dave's P.A. and script manufacturer Daniel. "Yeah, it's the old fallback. Dave was saying that this has been done already, but it probably hasn't. There are a lot of twists and a lot of turns. A three act structure. We break new ground every day this crew. We're taking porn to strange, new places!"

Mr. Blue is depressed and has come to see "Dr. Michaels," delivering the explanatory line, "My dick is like a stick of melted butter." Forget your Billy Wilder *Sunset Boulevard*, your Coppola *Godfather*, your freakin' *Caddyshack 2*! I'm sold! I'm cured of melted butter for a lifetime! Holly Michaels IS the "hot lady sex doctor."

Just Dave says he'll start rolling during a doctor/patient face mashing session. After fifteen seconds she's going to pull out the dick and go to work. Holly asks how she's supposed to get her clothes off. Dave says he was going to ask her the same thing.

"Here's what I would do," says Mick Blue. "You should tease your clothes off," suggesting that each tease be alternated with more "sucky sucky."

"Mick's a director. So I'm smart enough to listen to other directors," says Dave. "Mick is like the only guy where every single time he says something it's really a good idea."

When Holly is finally naked she climbs on cowgirl. No doctor sketch is complete without an examination table serving as at least one of the fucking surfaces, and today is no exception. It is apparent from the beginning that this bang out is being executed by two 100-percent top-of-the-line professional, if there is such a thing, A-list porno talents. Dave gets the regular fuck coverage and then they slide into the anal like, you guessed it, butta! A short pre-pop discussion determines that Holly Michaels will hit her knees at the appropriate moment and take a load in the face.

# THE MUSCULAR SYSTEM

**HOLLY MICHAELS:** I have French in me and a few different things, German, Norwegian and Spanish, and then Cherokee Indian. I'm from Arizona. I've been doing this for over a year now and I'm twenty-two. I started webcamming and when I was eighteen. I had no idea about it before then. It's so funny because right before I found out about webcamming I was actually on Craigslist looking for modeling jobs and I found one for baby fat modeling. So I sent in a picture and they said, *You're perfect, come on in!* So I show up at this mini mansion house and I ring the doorbell and there are these half naked chicks that answer the door and I'm like, okay! I've always been attracted to girls but it was like, this is really weird. I came in and they were like, *Oh you're perfect!* and then boom, they laid it all out, it was for webcamming. That's when I found out what it even was. ...I first had sex on camera when I was like nineteen, maybe, and that was with a girl. With a boy I didn't have sex on camera until porn. I think I've always had a high sex drive, I'm always horny. I was with a girl for three-and-a-half years and after that I had a couple one night stands after my breakup and they were kind of boring and I was like, I don't want to have boring sex anymore, I want someone who can keep up with me, so I just figured the best way to go about that was getting into porn. I think my very first time I was nervous but the thought of other people watching in person was really hot to me. It gets me going when other people are there and I'm on camera. Just a little bit of craziness. ...I love being slammed against walls, I love being choked and spit on and I really love being a slave, you know? Say, like, if you just spit on the floor and tell me to lick it up and pull my hair to make me lick it up, just all that rough kind of sex. I like it. But I like being controlling too, I love them both. I can play both roles. I guess it's just hot when a guy has that kind of power over me. I don't know what it is, it's just like they have a spell on me, especially when they're a boss about it. If you're a boss and put that bossiness and I guess that fearfulness into it and make me feel like I better do this or I'm going to get punished for it? ...I love it deep and I love it like pounded and I really do love it fast and hard. I go back and forth to because I like just grinding on it and that's the only way I can cum, when I'm on top riding on it. I like bouncing my ass.

**HOLLY:** I love anal. It's a completely different orgasm than anything else I guess. It really is, I love it, it's so good. I'm actually taking it in the butt today. Oh my gosh, I think DPs are like my favorite thing ever in the entire whole world! I love DP so much because my ass is getting attention and my pussy is getting attention and my asshole is distracted by my pussy and my pussy is distracted by my asshole. It's just so much. The only thing that I don't really like about it is that I have to stay in one position in order to actually hit the spots and feel really good. Like I wish I could be wild and crazy like I normally am but with DP you really can't, you have to just stay there and let them do the work. The orgasms are all ultra intense. Like my head starts getting like foggy and I get lightheaded. It's a really intense feeling. Every time I orgasm my whole body just goes into shakes. It looks like I'm having a seizure or something. My personal sex life is a little bit of everything. Because it's more personal and I have a boyfriend so we do ground and pound and rough sex, foot on the face rough sex and then there's like sex that's all intimate and slow and deep and all of that. ...My mom knows and my dad knows and my brothers know. Of course my dad's not okay with it because he's religious, you know? He doesn't shun me for it, he just wants me doing something else and my mom thinks it's just another one of my crazy spurts. Before I started porn I worked at UPS and Jason's Deli. I really love Jason's Deli. ...It's going really good. I just did my very first gangbang last month. It was really, really exciting. It was with seven guys and I did double vaginal. It was crazy. I don't even know how I did it. My vagina is not big at all. I don't know how I did it. It hurt for like the first two minutes and I was just, like, can you just like start pounding it? After that it was fine but I still cringe about the first like two seconds of double vaginal. I'm like, *Oh my god!* But on the inside it just opens like wide up. It's crazy. How does that happen? ...My plans are to be starting school by next semester honestly. I want to go to school at just a regular community college and pursue being a veterinarian assistant.

The mission is completed with skill and precision. Holly Michaels delivers the pivotal line to Mick Blue, "You're cured!" As doctor sketch sex scenes go, I can confidently say that this one rates in at least the 97th percentile or better. This being my first person-to-person experience with Holly Michaels, I was totally unprepared for her relentlessly upbeat personality and apparently terminal good mood. I'm always expectant of the usual periods of depressed brooding and/or self-involved, chemically-enhanced porn girl behavior of one sort or another, but this lighting up of the room with positivity and smiles thing is great porn set public relations idea.

I ask her about the set of red lips tattooed on her thigh.

"Those lips are actually my ex-girlfriend's," she says with a smile. "She got my lips and I got her lips. We kissed paper and then got like a skull and crossbones which is cool because it's like a poison kiss!"

Holly loves anal, DPs, banging both sexes and her orgasms, on- or off-camera, which sets her apart from those who keep working despite a set of Don'ts that would have been a serious buzzkill back in the day. I mention that she seemed super immersed in the fuck with Mick Blue, especially the anal.

"For me, it's a really big turn-on being on camera," she says quietly. "When it comes to me having anal sex, I always have to like keep rubbing my clit because oh, it's so good! Did you see the goosebumps on my body the whole time I was getting railed in the ass? I can't help it! It's so weird and I don't know why."

I know why. Holly Michaels is a 100-percent authentic sexual animal. Just Dave was right. She's the real deal.

FOX is proud to bestow its highest honor upon the incomparable Ash Hollywood, hereby declaring her PORN PIG OF THE YEAR. In order to be deemed worthy of the title, a girl has got to be more awesome, more outrageous and, quite simply, has to out rut all the other perverted little piglets in the entire Pornland Sky. Ash has repeatedly proven herself to be the pick of the litter. With her tight athletic body and her gorgeous expressive face, Ash elevates the act of fucking to a hole new level. She is six feet of sexy packed into a 5'1" frame; a spinner who excels at taking charge of smutty situations. Whether she is chowing box or smoking pole, she is so obvi in her element when she is doling out O's. And as far that succulent pink pussy of hers goes, whoever enters cums out hooked on pork. 🐷

Both TINA and LAURA have all their lovable soft-features built right in. Even their hands are not detachable. All their sexual organs have been designed to be a smooth continuous flow of their soft, well rounded bodies that feel so real, you'll wonder how this was ever accomplished. Even her sensuous lips, and deep throat mouth, powered by air suction, can open and close gently, thanks to her newly designed soft face. And best of all, you can order direct from the manufacturer, and save about 1/2 of what you would normally pay through a local mail order house. Dress her the way you want your girl to dress. Your playgirl wears real clothes. Dress your doll to suit your mood. She'll be a lady, or a vixen. You decide.

"Beware the lollipop of mediocrity; lick it once and you'll suck forever."—*Brian Wilson*

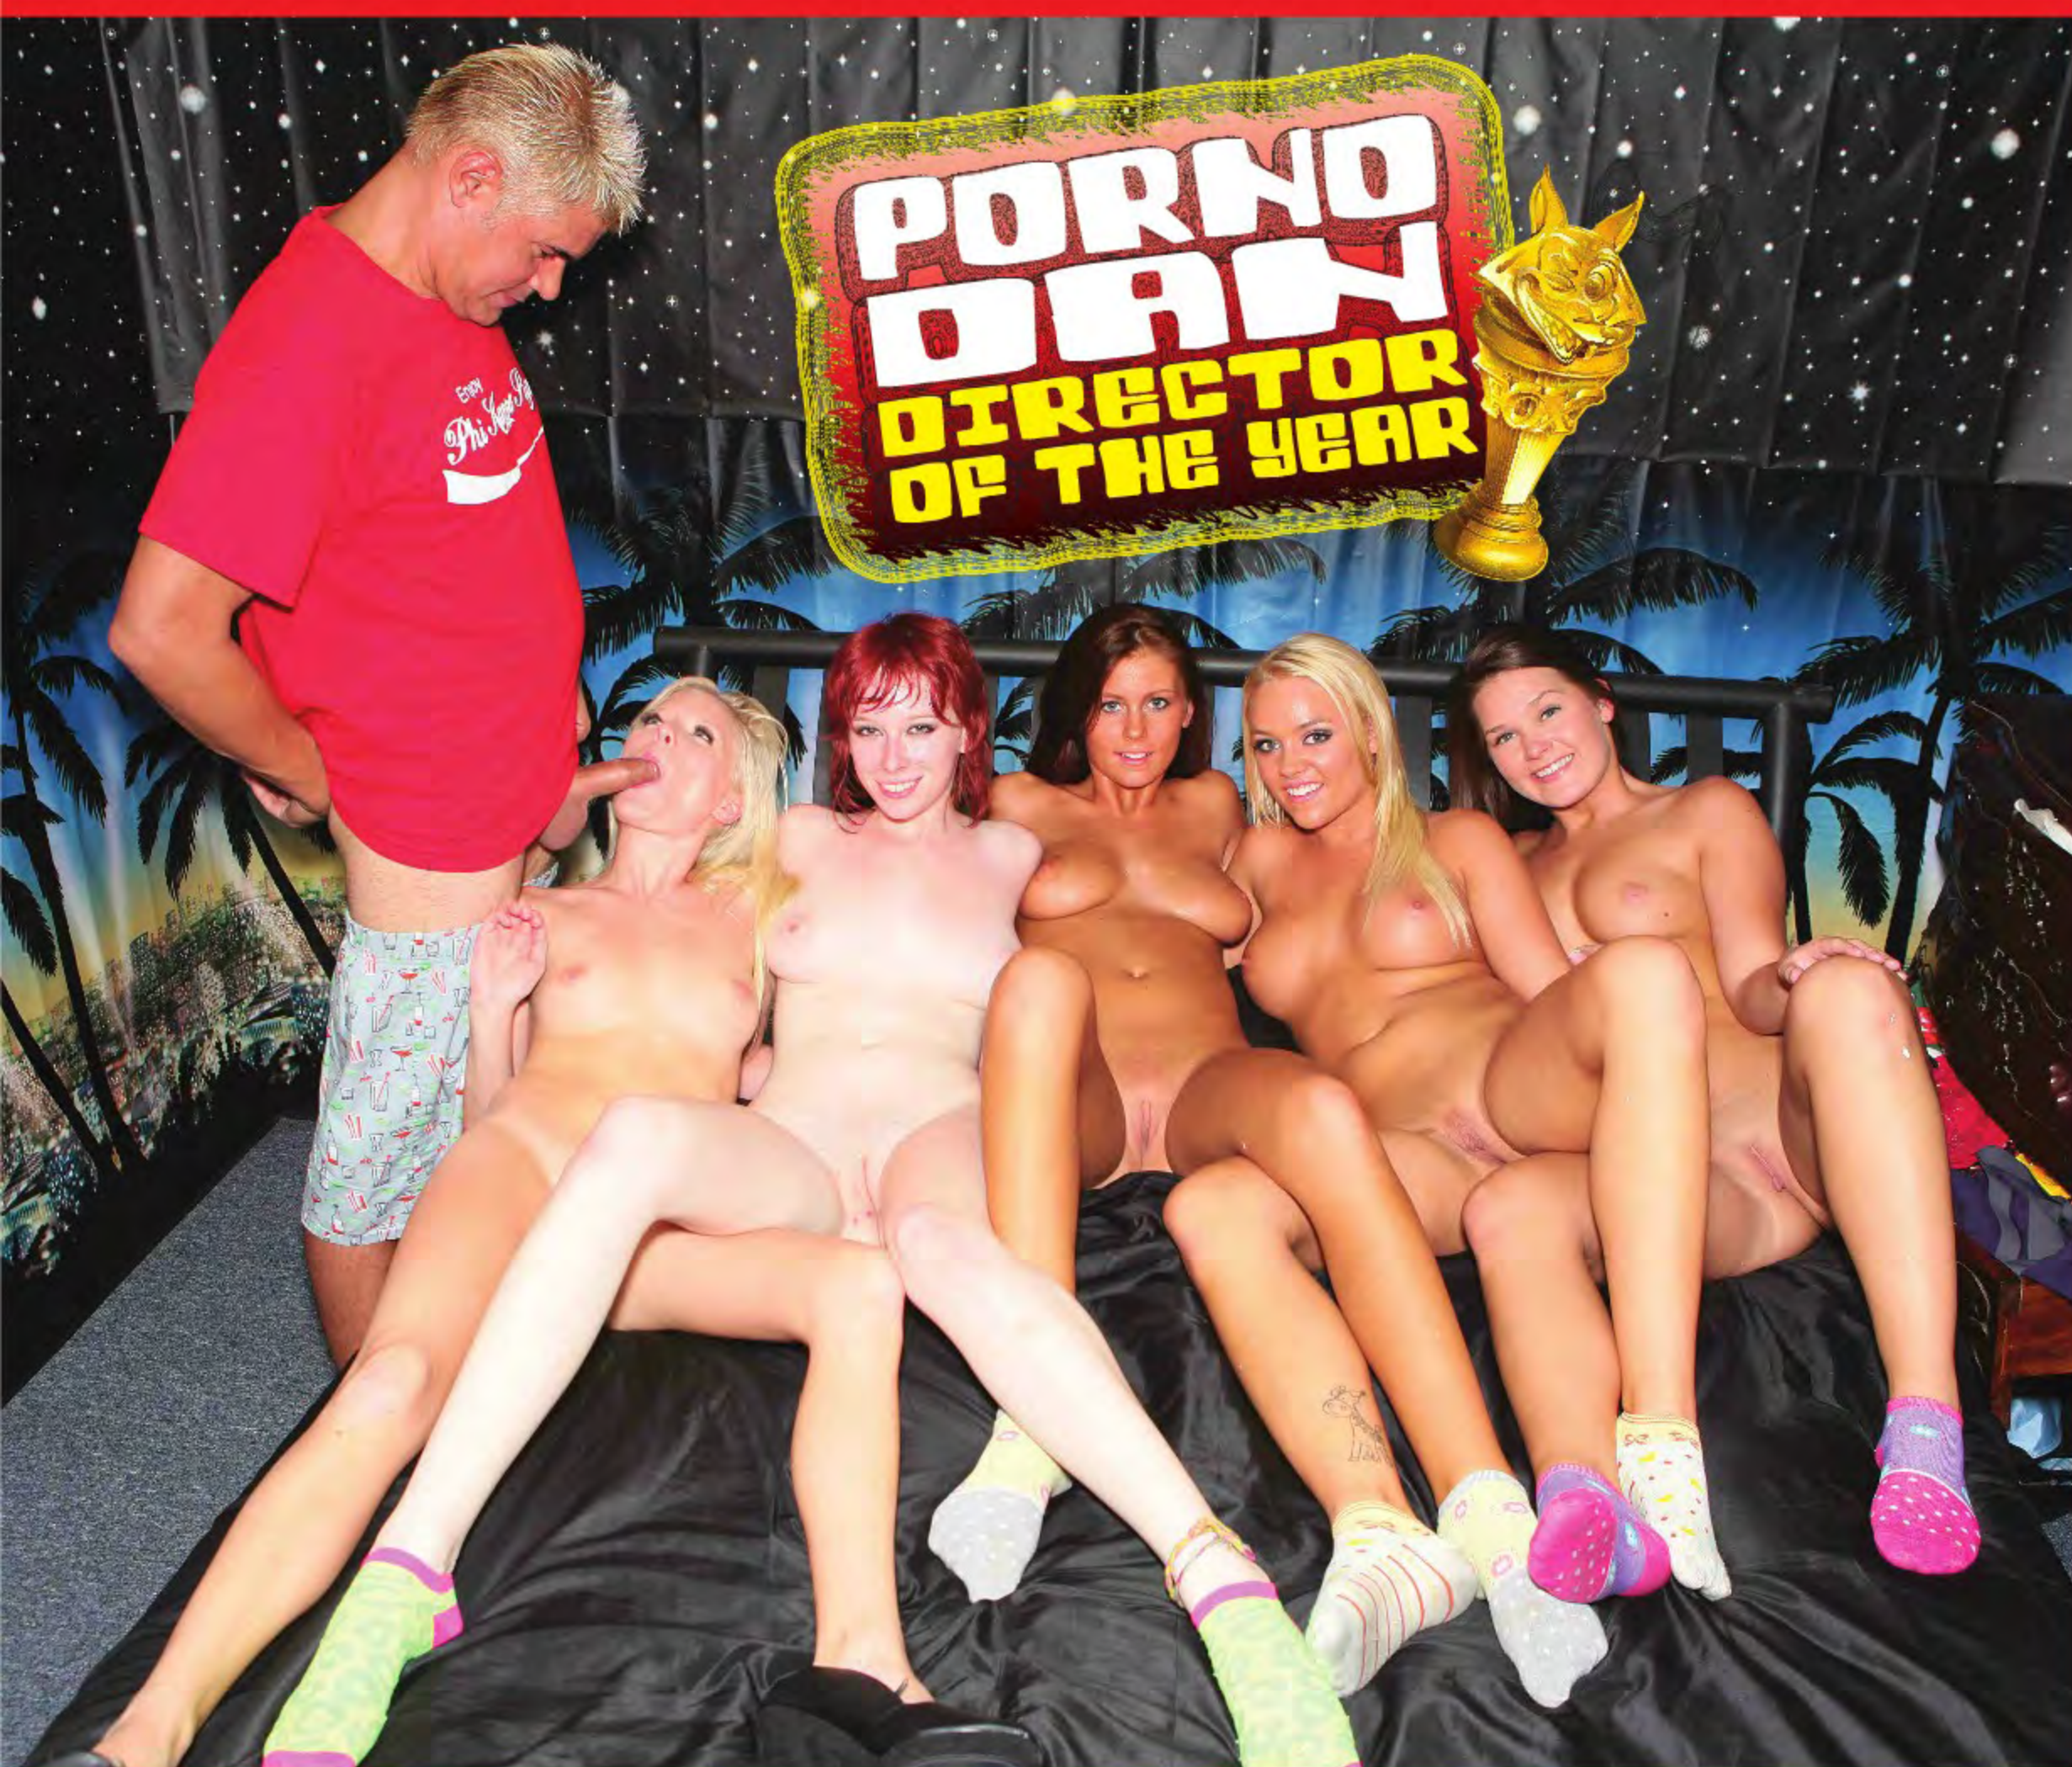

We here at *FOX* spend many long hours engaged in deep analysis of the theoretical underpinnings of the pornographic realm. We base our editorial perspective upon the idea that making so-called "art" out of people drooling on each other fucking, is an absurdist notion, and have long endured the slings and arrows of those humorless industrialists from the other side who deem us perverts, plebes and generally bad people. No problem. They think we fucking suck. We get it.

Porno Dan screams like Cheetah the chimp as a prelude to today's five girl Immoral Orgy because his Phi Kappa Sigma fraternity brother who must go unnamed has come to visit this porn zoo, encouraging a higher than usual level of primate house acting out. Having attempted to make sense out of the idiosyncratic appearance and continuing performance of Porno Dan like no other, I warned early on that he was to be Ground Zero for bringing the frat house to the porn house and vice versa. I'll call my own bluff at this point, admitting that I underestimated the amount of Greek system ridiculousness that was to coalesce here. Another surprise, is the consistency with which porno is streamed out of this place onto the world wide web day by day. At the beginning, eventual failure seemed inevitable due to the overall shabbiness of nearly every aspect of this enterprise, but here again, somehow Porno Dan has kept the trains running on time, sort of.

Porno Dan casually walks in on Elaina Raye, Zoey Nixon, Whitney Westgate, Alexis Monroe and Abby Cross posing for photos on his actual bed (in his actual bedroom, he lives here too) and presents his unit to Elaina Raye for some head. Try this at your work place, if you have one, and get ready for some jail time. Notice the nonchalance and victory of it all. Porno Dan has surrounded himself, week in and week out, with a seemingly never-ending roster of young women who are here for one purpose: to suck and/or fuck Porno Dan, among other people. As Porno Dan, you can whip out your dick and get it sucked or put it in a random, available vagina somewhere, on- or off-camera most times of the day. Nice work if you can get it. And people used to laugh at this guy.

**PORNO DAN:** Look at these natural DD titties on 18-year-olds! This is proof that good things happen to bad people. I'm Porno Dan. A Phi Kappa Sigma who stayed true to his word and is proof that if you stick to your dreams your dreams can become a reality. Just like me. Keep it real, people. I'm going to hell twice as long as you. One day back in my fraternity house I had a dream that one day I would be naked on a bed with five hot chicks having a porn company and that dream has come true! Hallelujah amen we have made it! We have made it, my brother! I am actually joined by one of my fraternity brothers here tonight who can't be on camera and his name is Mud. It's a true story. He got the nickname because he actually slept in the mud when he was a pledge. He's come all the way from Washington, D.C. to watch his old fraternity brother. Let the show begin!

The girls slip into skintight “ImmoralLive” pull-on’s. Dan positions them before the cameras on a blue mattress to do what it takes to get viewers to purchase the show without getting them naked just yet.

“Yeah, we can pop our booties!” Alexis says. “This is all going to go down right here on this little blue bed. Do you guys want to see us bounce?”

All five girls stand up and silently jump up and down in theater of the absurd unison, trampoline style. Human existence has no meaning or purpose as all communication has broken down. Giggly bouncing porn chicks are the last image we see before the world finally ends.

Oh wait, it’s time to go live and stream this “performance” to the paying customers. This is a porn event and the fucking hasn’t even taken place yet! Never mind. The girls get naked and vibrators are pressed to clits. Ralph Long, Travis Varjak and Dan get naked and join in. Ralph is the first to blow a load on Alexis’ face from a BJ, then she cum swaps with Elaina. Dan shouts out more choreographic setups with his dick in Zoey, trying to make sure every girl is occupied with an erection, another pussy or a wand.

“I think all you girls ought to blow Travis at the same time,” he barks. “Get everybody in here blowing Travis. It’s the Travis show!”

Five mouths on one penis is overkill so the gals have to take turns.

“Let’s play a game,” yells Dan. “Who can blow the deepest and hold the longest? How long can you stay down there, little Whitney? Let’s go!” Whitney holds a Deep Throat while the group counts out loud to twenty-three before she has to take a break. The other girls try but she emerges the winner.

“I am KING!” yells Travis. “Dan, you’re a great boss!”

A couple more loads are blown amidst a constant litany of girly fuck moaning. In the end Dan seems pleased and yells, “You fucked like champions today! You fucked like champions in heat! We did it for the Gipper!”

What is this? Every day, Porno Dan and whoever else improvise a relatively disorganized porn splatter painting that is streamed out onto the internet like six days a week. Quality control is lax, just like in real life. It’s definitely porno. Consistency is king when tireless repetition of the same meme accidentally turns folly into something tangible. Branding by accident! Artistic success!

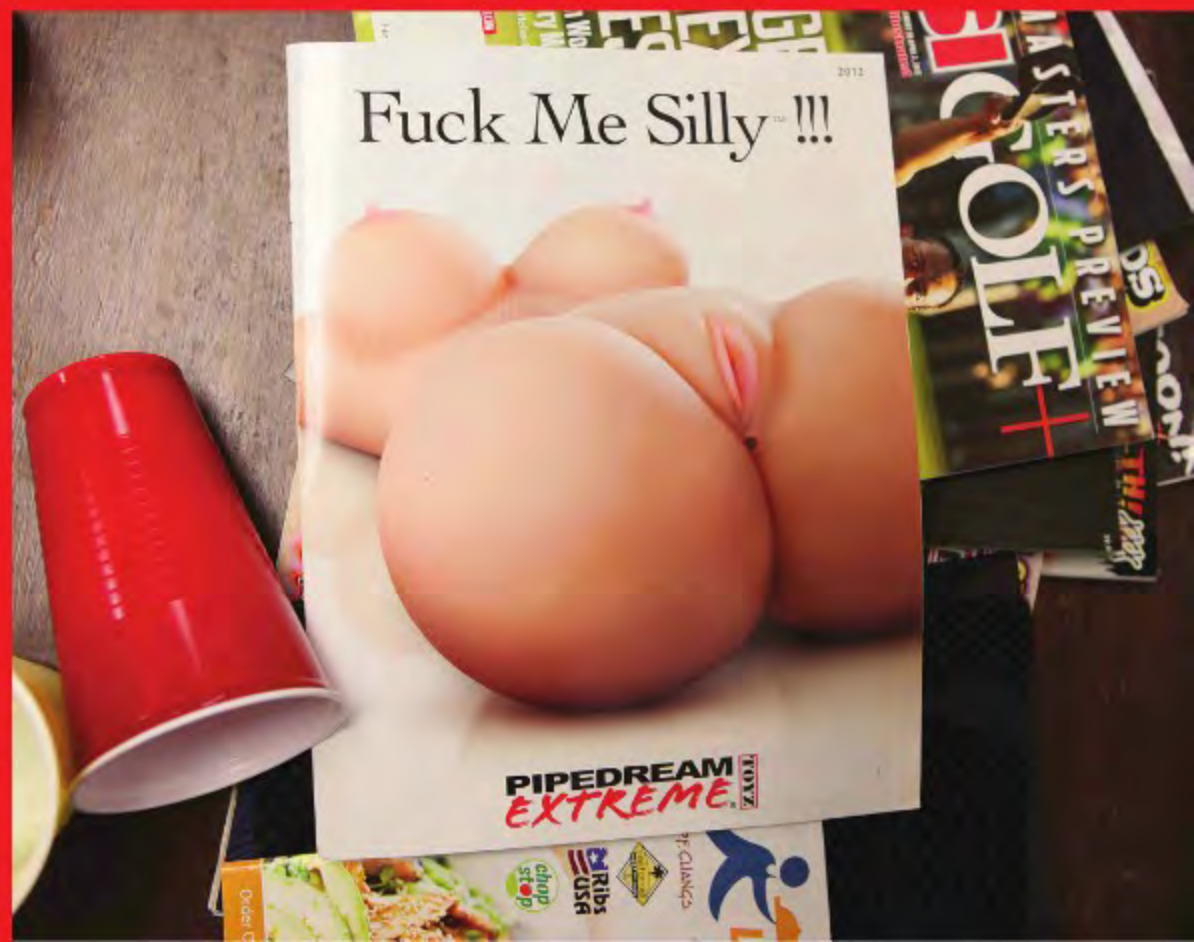

The term "Porno Dan" has finally morphed itself into the porn lexicon as a figure of speech, serving as more than one grammatical unit, indicating the transformation of Porno Dan from just another human being into a *concept*. Statements like, "That director Porno Dan'd that new girl into doing a DP her first scene! She took it like a champ!" or "That new girl found another Porno Dan who let her crash with him for trade until she signed with (insert name of any porn agent.) Now she won't even talk to him!" or "That director sucks so bad he makes Porno Dan look like Orson Welles!"

Porno Dan is an anti-director, one who does other things than actually direct. He hardly ever even picks up a camera. What he does do is try to give the haphazardly ridiculous and/or tedious moment to moment sexual happenings within his shows some kind of cohesion, a quest doomed to fiasco most of the time, in which case the whole thing is turned into a joke, as it should be. Still, the porn never stops. Lord of the shallow fuck. Lord of porn calamity. Lord of nothingness. Lord of something pornographically dumb and hilarious, it all just keeps hitting you in the face. Most people, more prone to normalcy, would have given up by now. Love, hate or indifference toward him, we shall not see the likes of Porno Dan again. 🐱

DO YOU  
WANT THE  
**SEX  
POWER  
OF A  
BULL?**

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

THE 3RD ANNUAL

# SPANK BANK AWARDS

by @Gabriel\_Lan

In its now traditional locale of my lavish living room in warm, sunny Nowhere Special, USA, the third annual Spank Bank Awards® show was bigger and better than ever this year, thanks in no small part to the continued sponsorship of the world's finest porn mag—FOX! The only magazine that truly cares about the Average Joe's opinion enough to appoint a former porn store clerk/regular guy (ME) to interview all of today's hottest and dirtiest pornstars.

Once again, the "hostess with the mostest" Ashli Orion co-hosted the festivities along with yours truly as a record number of awards were handed out. Audrey Hollander and Missy Monroe were inducted into the Spank Bank Hall of Fame. Newcomers Remy Lacroix, Melody Jordan and Penny Pax served as trophy girls, and several guest presenters were "on hand" as well.

As an added attraction, this year's awards also broke the Guinness World Record for "Largest Indoor Orgy" when the super sluts of the industry could no longer contain their unabashed horniness both backstage and in the audience.

Ms. Orion herself added to her Spank Bank record with two more major awards along with a whopping five technical awards, including the second highest honor of the evening. Ash Hollywood also had a big night, also racking up two majors and five technicals, but it was Amy Brooke who took home the most coveted award in all of porn award-dom, the "Most Spanked To Girl of the Year." In true top-notch porn whore fashion, after accepting her award Ms. Brooke thanked her asshole for its help earning her this honor, then promptly stuffed the award up her ass before leaving the stage.

\*Spank Bank Awards are voted on by a panel of porn critics (me), noted adult film connoisseurs (me), outside adult industry media insiders (me), X-rated film fans (me) and a committee chairman (also me.) Nominees who entice or influence the panel with any form of "sweet talking," "sexual innuendo," "buttering up" and/or direct allusion to sexual favors greatly increase their chances of winning.

# FOX TOP 25

FOX doesn't care about who some network or "news" magazine thinks the biggest pornstars in the business are. We care about what you pud pulling perverts think! Which is exactly why we went straight to the fans of today's top porn whores to find out just who you're watching or thinking about when you're choking the chicken. Who are the fans' personal Top 25 sluts? Those who were willing to share their opinions and personal tastes sent in their ballots and once again we discovered that you perverts have a wide array and variety of favorites. A total of 343 pornstars received votes. Rising mega star Jada Stevens took top honors for the first time, appearing on over 25 of the ballots received. There was also quite a bit more moving and shaking throughout the rankings. The only rule voters were given was that the pornstars themselves must be currently involved in shooting scenes in the porn industry. (For example: Lexi Belle = Yes! Kelly Wells = No!) Points were awarded as follows: 25 points for a 1st place vote, descending to 1 point for a 25th place vote, plus bonus points for number of appearances on separate lists. Here are the results:

It's one of the sadder truths of the smut biz—every year some very talented ho's slip through the crack and wind up on the ass end of acknowledgement. FOX has done its part to right this terrible wrong by creating a special award to honor the tail that toils away tirelessly at her craft, day in and day out, with the occasional orgasm as her only reward. All hail Porn's unsung sluts! This year, feisty Vanessa Cage has nabbed the prize for under lauded fuck dolly, and it's not hard to see why. This Barbie-gone-bad is hot, dirty, and a tremendous amount of fun. During the nasty Vanessa is a full-on force of nature. She's downright dazzling when doing her thang impaled upon a thick disco stick, resplendent in raunch, sweat dripping down between those huge-nippled snuggle pups of hers, cunny clenching and relaxing, asshole all a flutter. Damn, this girl has got IT. 🐱
